Genuine Accessories

TUNLAND does the heavy lifting - and looks good doing it.

A dual-purpose ute that can handle hard work, towing and weekends away, the TUNLAND just keeps getting better with accessories that have you covered.

TUNLAND's first accessories have landed, with more to follow, to power up your capability on the job and to enhance your off-road adventures.

Designed to complement its strength and rugged design, the TUNLAND accessory range unlocks the full potential of your ute.

From durable exterior protection and load-carrying solutions to interior upgrades designed for comfort and convenience, each accessory is built tough and designed for a perfect fit.

Upgrade your TUNLAND's capability by accessorising with towbars, tonneau covers, mats, tray liners, roof racks and more.

Plus stay tuned for the growing range of TUNLAND accessories on the way - and let your ute take you even further.

TUNLAND

1. Image shown for illustrative purposes only. Caravan is not sold by FOTON Australia and is not included with the vehicle or accessory. 2. Towing capacity is subject to regulatory requirements, tow bar and vehicle design and towing equipment limitations. If the towing mass is greater than 2,000kgs, an Electric Brake Controller must be fitted and is only capable of towing a trailer with a maximum of 2 axles. Requires fitment of optional tow bar accessory. Refer to Owner's Manual for towing instructions. For further information, ask your local FOTON Retailer.
